Weekend together...

Weekend Description

The weekend is designed to help married couples communicate more intimately with one another in order to deepen and enrich their relationship. The weekend is free from everyday distractions and tensions. An atmosphere is created where the couple can concentrate exclusively on one another in a private and confidential environment.

A series of presentations that touch on many aspects of marriage is given by three couples and a Catholic priest. After each presentation, the couple has time in the privacy of their own room for personal sharing using the communication techniques learned on the weekend. There are no 'group discussions'.

Marriage Encounter weekends are held at local retreat houses or hotels. The weekend starts at 8:00 pm on Friday night and runs until about 4:30 pm on Sunday afternoon.

Who is it for?

Any married couple who desires a richer, fuller life together. A marriage can never be too good. It is designed to deepen and enrich the joys a couple shares together, whether they have been married for only a short time, or many years. Marriage Encounter also provides support and encouragement to priests and religious who are dedicated to their vocation in life.

Do you have to be Catholic?

The weekend is Catholic in orientation and is expressed in the tradition and understanding of the Catholic Church. It is open to all, and a number of spaces are reserved each weekend for couples of other faiths.

What does a Marriage Encounter cost?

A NON-REFUNDABLE REGISTRATION FEE confirms your food and lodging. At the end of the weekend each couple is given a blank envelope and asked to make a donation. No one is ever refused the opportunity to make a weekend because of the lack of funds.
